## Privacy Policy

### Collected Information

We collect various types of personal data from our users, including:

- **Account creation information:** Full name, email address, and company name.
- **Camera:** We access your device's camera only with your permission, for features such as scanning QR codes or taking photos during valve creation or after a maneuver.
- **Photo gallery:** Our application may request access to your photos if you wish to select images to share within the app during valve creation or after a maneuver. Selected photos are used exclusively for this purpose.
- **Bluetooth:** We use Bluetooth to pair the Modec Connect smart sensor with the application to collect data during operations. No Bluetooth data is stored or shared outside the app.
- **Location:** We access geolocation data only with your authorization to provide accurate geolocation services. Location data is stored on our servers and used solely for this purpose.

### Use of Data

The data collected is used exclusively within the scope of our application and is never shared with third parties without your prior consent. Specifically, it may be used for two purposes:

- **Feature optimization:** Data (camera, gallery, Bluetooth, and location) is necessary to enable the application features you have chosen. This data is collected only with your explicit prior consent.
- **User experience enhancement:** We use usage information to improve the application's features and ensure a seamless experience.
-

## Data Retention and Security

The collected data is stored in a secure external database, protected by regular backups and advanced security measures. We maintain high security standards to protect your personal information from unauthorized access, alteration, or disclosure, including data encryption and the use of appropriate security protocols.

## Your Rights and Data Control

You have the right to:

- **Control permissions:** You can enable or disable access to the camera, photos, Bluetooth, and location at any time in your device settings.
- **Access, modify, or delete your data:** You have the right to request the deletion of your personal data linked to your account, including your name and email address. To exercise this right, please contact us at [\*\*modec-connect@modec.fr\*\*](mailto:modec-connect@modec.fr).

## Cookies and Similar Technologies

Our application does not use cookies. We only use an authentication token to maintain the user's session. No data is shared with third parties.

## Privacy Policy Updates

We reserve the right to update this privacy policy at any time. Any changes will be displayed within the application, and we encourage you to review this policy regularly to stay informed about how we protect your personal data.
